

1-3-1a

Feeling Face Pumpkins

Grade Level	First
Minimum Time Required	30 Minutes
Materials/Resources	Four pumpkins with feeling faces on them, created with stickers or Markers; Cassette tape or CD player for music, and Music
Subject Area(s)	Guidance

Project Description:

1. Label four little (real) pumpkins with feeling faces. (apples or oranges may also be used.)
2. Have the students pass them around while music is playing in the background.
3. When the music stops, the child who gets the pumpkin will share something they have experienced that made them feel the same as the feeling expressed on the face of the pumpkin they get. (happy, mad, sad, afraid).
4. Optional: Design with the students' phrases they can think of or pictures they can envision that can help them decrease a sad or mad mood.

Career Development Standard	Awareness of the importance of growth and change.
Career Development Indicator	Identify personal feelings.
Delivery Level	Review
